A Letter From The President: Joanne Gillis-Donovan, Ph.D.

Dear Family and Friends,

Please accept the 2010 Donor Report with my deepest thanks. Whether you are a family member, friend, corporate partner, foundation, business, or civic organization, your support allows Melmark to remain an important community resource that provides a safety net, not only for those whose challenges begin at birth, but also for those who acquire them at any point due to accidents, injuries and other traumatic events. You, who invest in Melmark, know that all it takes is a fall off a bicycle or skateboard, and your child or grandchild could need our services. You are the sturdy fabric of our safety net and critical to all that we do.

In spite of difficult economic times, I am happy to report that, in addition to those of you who have been partners for many years, we are welcoming many new donors and volunteers from a wide variety of constituencies, in both Pennsylvania and New England. Similarly, we have been increasing our Board membership, adding talented new men and women who, along with our outstanding tenured members, dedicate so much of their time, treasure and expertise.

This year’s Donor Report focuses on innovations and new endeavors that move us closer to our vision of “A Center for Excellence” wherein best practices, training, consultation and research have an ever increasing impact, not only on those we serve directly, but also on the broader service community, as well.

As you read through the following pages, you will learn about the new classrooms and the staff resource room added to our school in Pennsylvania; the further development of our vocational programs, the establishment of afterschool programs, new community-based children’s residential programs, and the implementation of advanced technology for efficiency in tracking client care in Pennsylvania and New England. The Expert Speaker Series, consultation services, conferences, presentations and advanced certification programs round out our overall efforts to broaden our impact.

As we continually open our doors and hearts to new students, adults, and their families, I find great comfort in knowing that we can rely on your help and support in sustaining Melmark’s commitment to a service of excellence. Together, we are building strong communities.

Thank you so very much,

Joanne Gillis-Donovan, Ph.D.
President & CEO
A Message From the Chairman: Mr. H. Robert Marcus

Dear Family and Friends,

It is with sincere gratitude that I write to you, Melmark’s families, friends and champions. Through your ongoing support, Melmark has been able to continue in its commitment to provide a full range of innovative programs and services for the children and adults we support. I know first-hand that Melmark’s Board of Directors, executive leadership team and exemplary multi-disciplinary staff turn their passion for their work into rewarding results for the entire Melmark community every day. Thank you for being an integral part of this extraordinary team.

As you read through our 2010 Donor Report, you will learn about a number of accomplishments and new endeavors. In addition to these tangible examples of program innovation, a redesign of the corporate board structure was achieved. As you will see in the pages that follow, Melmark now has four boards to meet the needs of our increasingly complex organization.

Of note in this redesign is the creation of the Melmark Services Board, as the sole member, controlling all of Melmark’s activities. The Melmark Charitable Foundation Board oversees our investments and raises funds, broadening and developing the donor base to increase our philanthropic support. This better positions Melmark to strengthen its focus and strategic approach to expand clinical research; increase training and educational opportunities for professionals in our field; and explore new opportunities for community outreach.

I am honored and privileged to act as Chairman for Melmark Services and most happy to report that Richard G. Phillips, Jr., Esq. has taken on the charge of Chairman of the Melmark Charitable Foundation. In addition to this new challenge, Richard also has many other roles at Melmark; he is a member of the Melmark Services Board, a generous contributor, provides guidance and leadership for special events, and in his most important role, is a brother to Tony, who has called Melmark home for many years. Please join me in thanking Richard for his dedication to Melmark’s mission.

At Melmark, we are always looking forward, building on our strengths, continuously learning and applying best practices, and unwavering in our dedication to the growth and well-being of each student and resident entrusted to our care. Our donors and volunteers play a vital role in what we have already accomplished, and most importantly, what we will achieve.

Thank you for being part of Melmark’s Legacy of Innovation.

H. Robert Marcus
Chairman
**Melmark Services**
Melmark Services is a Pennsylvania corporation and functions as the parent board for the subsidiary boards. Its primary function is to support Melmark operations and any affiliated entities by assisting in, planning for, managing and promoting the services carried out by the operating entities. The Melmark Services Board is the appointing authority for the subsidiary boards.

**Melmark, Inc.**
Melmark, Inc. is the operating organization for the provision of residential, educational, vocational and therapeutic services for children and adults with developmental disabilities, autism spectrum disorder, acquired brain injuries, mental health and other neurological and genetic disorders. All program operations, revenues and expenses are contained within this entity.

**Melmark New England, Inc.**
Melmark New England, Inc. is a Massachusetts corporation organized to support and carry out the charitable purposes of Melmark New England programs. Furthermore, it provides and maintains facilities and conducts fundraising activities related to and in support of these programs. It conducts such other activities and programs as may be carried out by a corporation organized under Mass. General Laws C.180.

**The Melmark Charitable Foundation**
The Melmark Charitable Foundation exists to support the advancement activities of Melmark’s programs. This entity oversees the management of investment portfolios and raises funds through foundation proposals, special events, appeals, and related activities. The Melmark Charitable Foundation oversees the allocation of funds as requested by the donors and grantors.
Melmark’s Legacy of Innovation

1963
Paul and Mildred Krentel’s sixth child, Melissa, born with Down syndrome. Doctors recommend Melissa be placed in a facility in Ohio.

1966
Krentel Family sells family home and purchases 35-room mansion in Berwyn, PA. Melmark established.

1967
51 children with special needs participate in Melmark’s programs featuring intensive staffing, nursing care, and special education classes.

1968
Melmark obtains private school licensing; classrooms constructed.

1970-1980
Several freestanding homes built on Melmark’s campus; programming differentiated by age, ability, and healthcare needs.

1972
Gymnasium and pool added, along with three cottages to accommodate 45 more residents.
1990s
Paul and “Miggy” Krentel retire.

1997
Melmark implements diversification of programs; community homes for adults open. Pictured above, Aston House.

2006
Melmark New England purchases and renovates a building and moves its expanded programs to Andover, MA. Early Childhood Program opens in the new building.

1996
Joanne Gillis-Donovan, Ph.D., joins Melmark’s team as COO and becomes President and CEO within a year.

1998
Frank Bird, Rita Gardner, and Peter Troy join Melmark and develop Melmark New England in Woburn, MA. Later that year, the first community home is purchased and the outreach consultation program is started.

2011
Melmark serves over 500 children and adults with a wide range of developmental and intellectual disabilities from across the country and employs nearly 900 people.
Thank You

The Paul and Mildred Krentel Legacy Society

Facing an immense challenge in their lives in 1966, Paul and Mildred Krentel set their vision against all the “professional” advice of the day and forged their own legacy—The Home That Love Built. Since that time, the Krentel Legacy has grown into an organization that provides services to over 500 children and adults from 10 states, employs a staff of close to 900 people, and coordinates programs and services in Pennsylvania and Massachusetts. All of this has been accomplished while growing in the prestige that draws both national and international inquiries and referrals, providing cutting-edge training and care, and making a difference in countless lives. Forging ahead to what they did not fully see at the time, the Krentels provided the rock solid foundation that has allowed those of us who have followed to shape possibilities beyond what they could have imagined. That is, after all, what it means to create a legacy.

While Melmark is not new to receiving generous gifts from the estates of friends and families, it is formally initiating a giving society to identify those who recognize the promising future of Melmark and have made provision for the organization’s future in their estate plans. The newly established group is called The Paul and Mildred Krentel Legacy Society. This vital group, named for Melmark’s founders, comprises individuals who have made provision in their estates for future gifts in support of Melmark and to create a legacy that will ensure our excellence beyond our first 100 years. These faithful donors are honored for naming the organization in a will, or for making a gift from their estate in the form of a charitable gift annuity, a life income trust, or life insurance policy. We are grateful for those who have identified their plans to ensure a legacy at Melmark. Charter members are listed below.

A Lifelong Friendship

Sylvia Shuman’s relationship with Melmark goes back over 30 years. A good friend, Maryanne Ferro, cared for the horses at Melmark. It was through her friendship with Maryanne that Sylvia became familiar with Melmark’s mission in support of children and adults with disabilities. At that early time, she began making an annual gift and has been doing so every year since. In the past year, she notified Advancement Staff that she has made provision for Melmark in her will. Through this commitment, Sylvia has become a charter member of the Paul and Mildred Krentel Legacy Society. She is now 97, believes firmly in the mission of Melmark and knows her support will make a difference. As to her current state, she laments her loss of sight, but is thankful for her memory and hearing. She says “You take what you can and be thankful for what you have.” We who are charged with fulfilling the Melmark Legacy are grateful for her trust and support to carry on the work for those we serve.

Sylvia Shuman has been involved with Melmark since 1981

Melmark Pennsylvania and Melmark New England offer innovative job skills training in their vocational programs. For many Melmark clients, this hands-on learning experience often leads to job opportunities in the community. Both programs are supported through fundraised dollars.

Pennsylvania

The Chris Maurer Vocational Program at Melmark is a community-based work program for young adults with autism and other special needs. Participants learn valuable work skills, and, thanks to several community businesses, many of these learning opportunities take place in the community.
Students who attend Melmark New England’s Vocational Program learn valuable job related skills that lead to employment in the community. Many companies in the New England area provide opportunities for our students to learn, grow and achieve. Melmark New England thanks all of its community partners who provide vocational work opportunities to our students:

Expanding Life’s Options Through Innovation

Thanks to our generous donors, we are thrilled to share the news of expansion in Melmark’s Adult Day Program and The Melmark School.

In 2010, our Adult Day Program relocated to a new, state-of-the-art wing dedicated as The Anne and Brutus Kenan Center for Adult Services. This new space offers workshops where adults learn valuable life and work skills, a full kitchen for baking and homemaking skills and wide, ramped hallways for non-ambulatory individuals.

Also in 2010, a major expansion project came to completion, launching The Melmark School to an even higher standard of care and excellence. New classrooms provide the space for a growing student population and feature:

- Observation rooms between adjacent classrooms, allowing behavior analysts to monitor a student’s progress and successfully implement an innovative educational plan
- Training room for education staff
- Energy efficient classrooms promoting unique learning opportunities and including enhanced resources for students and teachers
- New art room featuring ample space for creativity and adjustable tables that allow all students access, regardless of their mobility

It is through your efforts that we are able to provide this Center of Excellence!
Thank You

Granting Wishes

With a standing ovation for The Melmark Players’ performance of Mamma Mia, Melmark's friends and family came together for a night filled with music, dancing, food and fun at the 2010 Dream Maker’s Ball. The biennial celebration, presented by Pilot Freight Services, was held at the beautiful and enchanting Hyatt at the Bellevue in Center City Philadelphia. Honored on this night was the Ronald McDonald House Charities ® (RMHC) of the Philadelphia Region, Inc.

Community Living

Pennsylvania’s Rosary House
Melmark is expanding opportunities for children and adults who reside with their peers. Thanks to your contributions over the past year, Melmark PA purchased its first children’s residence in the community. Melmark’s Rosary House is adjacent to West Chester University’s athletic fields. Because of the proximity, faculty and students at the university have worked to include the young men who live here in their athletics classes. It is an endeavor that is giving students diagnosed with autism, intellectual and developmental disabilities the chance to be part of a college campus setting.

New England’s Dracut House
In the spring of 2010, Melmark New England opened a new residence in Dracut, MA. Nine students live in this beautiful community setting, and the house replaces an older home in Tewksbury. The Dracut home includes a fitness room, ample space for the young individuals who live here and a sprawling back yard for outdoor activities.
5th Annual Hubert J.P. Schoemaker Classic Raises $365,000

The Fifth Annual Hubert J.P. Schoemaker Classic, with Cephalon serving as Title Sponsor and Accenture and Oracle Health Sciences the Co-Presenting Sponsors, took place on September 20, 2010. With unheard of support from the biosciences community, the 2010 Classic raised $365,000 net proceeds, bringing the five-year total donation to $2,000,000.

The Classic honors the legacy of Hubert J.P. Schoemaker, a dynamic leader in the region’s biotechnology field. Hubert’s daughter, Maureen, lived at Melmark for 28 years before her passing in October 2010.

The Classic, now in its sixth year, has become the premier social event for the Pennsylvania Life Sciences and Business communities and includes golf at three of the area’s premier courses: Waynesborough Country Club, St. Davids Golf Club and The ACE Club.

The 2011 Hubert J.P. Schoemaker Classic will be held on Monday, September 19th.

fore Melmark New England

Melmark New England’s Fifth Annual fore Melmark New England Golf Benefit was held at the Andover Country Club on Monday, July 26th. This scenic and sunny day gave 140 golfers a great day on the greens. 200 guests attended the post-tournament dinner, program and auctions. Attendees enjoyed fabulous food and spirits while raising $225,000 for Melmark New England! Special thanks to co-chairs, Jim and Angela Alex, along with the help of Larry and Luise Cancro, Jamie and Karyn Stahle and all of our volunteers for making this event a success.

The Sixth Annual fore Melmark New England Golf Benefit returns to the beautiful Andover Country Club on Monday, July 25, 2011 and is poised to build on the success of last year’s event.
Thank You

Names are presented as requested by donor.
Ways to Give: How You Can Make A Difference

There are many ways to give to Melmark. Each method of giving helps ensure the future of those we serve. The most frequently used methods are:

**Check / Money Order**
Make checks payable to:

The Melmark Charitable Foundation
And send to:
Melmark Advancement Department
2600 Wayland Road
Berwyn, PA 19312
or
Melmark New England Advancement Department
461 River Road
Andover, MA 01810

**Credit Card**
You may donate to Melmark using MasterCard, Visa, American Express, or Discover by contacting the Advancement Department at 610-325-4981 or by visiting our website at www.melmark.org. If your donation is to Melmark New England, please call 978-654-4342 or visit www.melmarkne.org.

**United Way**
Melmark's United Way Donor Choice number is 1012.

**Matching Gifts**
Many employers match gifts made by their employees. If you work for a matching gift company, be sure to complete the necessary form to multiply your gift.

**The Paul & Mildred Krentel Legacy Society**
Below are some ways that donors can make a provision in their estates for future gifts in support of Melmark.

**Bequests**
Bequests, both large and small, account for a major portion of Melmark’s endowment and provide significant funding for programs, facilities and client support. In addition to being one of the simplest ways to distribute your estate, your will can be a creative vehicle through which you can make a thoughtful gift to Melmark.

**Life Insurance**
One of the simplest ways to make a significant gift is to designate Melmark as the beneficiary of all or a portion of the proceeds of a life insurance policy. You can make a gift that may ultimately be larger than its cost.

**Charitable Gift Annuities**
This is a wonderful way to make a meaningful gift to Melmark while enjoying income and tax benefits that can also help enhance your financial well-being. By making a charitable gift of cash or securities, you and/or another person you designate receive lifetime payments, a portion of which are tax-free.

**Securities**
Gifting an investment to Melmark may be the optimal way to provide a significant gift while also reaping tax benefits.

Right: Joey on the computer
Dear Family & Friends,

Hello from Melmark New England where exciting activities occur each day on behalf of the students and families whom we are pleased to support.

In 2010, assisted by the generosity of the Yawkey Foundation, we were able to purchase and renovate a beautiful home in Dracut, MA. Today, this home provides residential support to nine of our students and the home has proven to be a wonderful resource to our program. The Yawkey Foundation also assisted us in starting a pilot after-school program. Parents have limited options for their children’s after-school care so this is a much needed resource in our community and we are hopeful that it will grow to include more students over time. The focus of this program is to provide school-age students with recreational opportunities, community activities and the enhancement of social skills through planned activities.

Within the past year, the New England program experienced the graduation of many students. In response to the high quality services we provide, these students have transitioned to community settings where they are able to take greater advantage of the skills they learned while in our program. Several have community jobs and thus, are able to more fully participate in the adult world of work. While we will miss seeing them every day, we are so proud of their growth!

The New England consultation team has continued their exceptional outreach work to school districts throughout our region. Through their efforts they are able to positively impact the quality of teaching for some additional 500 students. Much of this work is carried out in economically distressed areas such as the old mill towns of Massachusetts. With the training and support our staff provide, we witness teachers getting reinvigorated and excited about taking their new skills back into their classrooms. Our Expert Speaker Series, funded by The Peter and Elizabeth C. Tower Foundation, has helped hundreds of teachers and special education professionals learn new skills and find new resources to bring back to their students.

This year also marked the 5th annual fore Melmark New England golf tournament. Words cannot adequately express our gratitude for Jim and Angela Alex’s tireless commitment to this event and Larry Cancro’s consistent behind-the-scenes support – they are an inspiration for us all! Jim Alex, a.k.a. Charlie’s Dad, reading a message to his son perhaps said it best when describing his motivation at this year’s event: “And the world is full of stories but the stories are all one. I love you (Charlie) very much.”

We hope that you, our generous benefactors, will continue to support our mission that creates such positive outcomes for the individuals we serve. Your support helps us to reach more families who struggle to access quality services for their children. Our hope is to continue striving for success for every child, every day.

Thank you.

Sincerely,

Rita M. Gardner, M.P.H., BCBA
Executive Director
Thank You

New Appointment
MA Special Commission Relative to Autism

Please join Melmark in congratulating Rita Gardner for her appointment to the Massachusetts Special Commission Relative to Autism. Rita is one of 31 people selected to serve in this capacity, and her appointment was official on December 13, 2010.

The Autism Commission was established by Legislative Resolve and approved by Massachusetts Governor Deval Patrick in April 2010. It has the charge of investigating and studying the range of services and supports necessary for individuals diagnosed with autism spectrum disorder to achieve their full potential.

On far left Rita Gardner, Executive Director Melmark New England; Massachusetts Governor Deval Patrick; State Representative Barbara L’Italien; Lawrence Cancro, Melmark New England parent and Board Member; Peter Troy, Melmark New England Vice President.

Running for Melmark New England

A mother’s love led her to run 26.2 miles on Patriot’s Day 2010 in the 114th running of the Boston Marathon. Kim Fair, 38, a Melmark New England parent, completed the race in 4:21, and raised over $5,000 for Melmark New England in the process!

Kim’s 8-year old son, Brody, started at Melmark New England two years ago. Kim and her husband, Kevin, also have two daughters, Olivia and Ava.

An avid runner since she was 12-years-old, this was Kim’s third marathon and second Boston Marathon. She said she ran the Boston Marathon as a way to give back to a school that means so much to her and her family. “Brody has made remarkable progress over the past two years--his language has improved, he looks forward to going to school, and he just loves his teachers,” she said. “We know that he is going to a school where the staff are knowledgeable and where they truly care for the students. We could not have found a better place for our son. When our family thinks of Melmark New England, we think of the word ‘miracle.’ ”

The staff of Melmark New England held a pep rally for Kim prior to the race. “We are so grateful for Kim’s dedication and her willingness to take on such a challenge,” said Peter Troy, Vice President of Melmark New England. “We are so proud of her.”
Thank You
