“Thank you so much for your dedication to and support of the children and adults at Melmark. You provide such a valuable service to them every day and help them reach their fullest potential.”

~Melmark Parent
Dear Friends,

Your support of Melmark’s mission and the individuals we serve has never been as crucial as it is today. This report shows the impact of your gifts throughout the past year and celebrates the successes of the individuals we serve. It also outlines the organization’s current and future mission – a mission that has not changed through the COVID-19 pandemic, although the way we deliver it has changed greatly.

Your support of Melmark’s service divisions in Pennsylvania, New England and the Carolinas plants the seeds for tomorrow. For all of Melmark’s divisions, those seeds nurture sustainability for our children’s and adult programs (Pennsylvania and New England) during a time of unprecedented expenses and lost revenue caused when states mandated day programs closed in response to the pandemic.

In Pennsylvania, your gifts support several mission-critical projects, including the active new school, which will provide our students and teachers the optimal environment for learning, skills growth and safety. The new school also provides greater fiscal security for adult programs, which were already operating at a loss before the pandemic. In order to continue Melmark Pennsylvania’s high-quality adult services, we are actively raising funds for a $30M to $40M endowment. This will cover shortfalls in the adult program model and ensure preparedness for future financial crises. This will be in addition to other fundraising activities. The COVID-19 pandemic has confirmed to us the need for additional financial resources during difficult economic times to maintain the viability of our adult services.

In New England, our donors are planting the seeds for a brighter tomorrow, as we continue to expand and raise the quality of service delivery systems throughout the country by disseminating and replicating the Melmark Model of Program Development and Clinical Treatment. Melmark’s proprietary software, EnvisionSMART™, will continue to positively affect the lives of countless individuals as practitioners and educators, utilize the branded software program. EnvisionSMART™ and Melmark’s four-book series incorporates organizational behavior management (OBM) systems of Applied Behavior Analytic services built on scalable solutions to assist in delivering high quality education, professional development, training, healthcare, applied research and behavioral services to individuals with autism, intellectual and developmental disabilities.

In the Carolinas, the room for growth is exponential, as so many children do not currently receive the Free Appropriate Public Education (FAPE) to which each child, regardless of his or her learning and behavioral differences, is entitled. Your support helps us expand opportunities in North and South Carolina to grow our school services there, at a sustainable rate.

While all of us look forward to so many opportunities, I would be remiss if I did not point out the deep impact COVID-19 has had on the entire organization. The middle pages of this report include the more than $1 million impact of virus mitigation measures, the purchase of personal protective equipment (PPE), hazard or ‘hero’ pay, as we call it, ongoing sanitizing and program area cleaning processes, losses due to decreased reimbursements, and a less than ideal economic outlook for not-for-profit organizations. I am grateful to the individuals and foundations who have already stepped forward to close that financial gap.

In addition to the COVID-19 pandemic, our dedicated staff have continued to put mission first throughout the painful, important focus on racial justice across the US. Speaking out against injustice and advocating for equality for all have remained intertwined with Melmark’s mission since its founding in 1966. We stand with our staff, individuals, families and friends in stopping violence against and demanding equality for people of color. We look forward to launching a corporate responsibility page on our new website, which will highlight Melmark’s ongoing work to extend services and resources to those individuals, families and communities who do not receive equal opportunities due to the color of their skin. We remain united in the peaceful demand for real change.

I must take this opportunity to recognize every staff member of Melmark’s community, from our direct care workforce to our leadership across the divisions. Our employees, through this period, have remained focused on Melmark’s core commitments and mission-first work. I have never been more proud of our teams. For those of us who have worked behind the scenes during the pandemic to keep Melmark on its best course, the work of our direct support professionals is incredibly motivating to do our very best. I am committed to continuing to lead Melmark’s highly skilled staff, through measures built on the framework of scientific data and evidence-based practices, through these challenging times.

Rita M. Gardner, M.P.H., LABA, BCBA

From the President and CEO
“As the parent of a child with autism and an employer of adults with autism, I have seen firsthand how important it is to have vocational support at an early age. Melmark’s vocational education program sets the bar high in everything it does. As a family and a community business, we cannot express enough how much value Melmark’s vocational program provides to so many in need.”

~Melmark Parent
About the cover: Piero with Melmark Carolinas ABA Counselors, Lauren Holland and Jalen Burrell. Piero has worked hard to learn enhanced communication skills through the use of a Picture Exchange Communication System (PECS), which he now uses to let staff know his wants and needs.

Learning is not limited to our students. Both Lauren and Jalen are currently pursuing their Master’s Degrees in Special Education and Applied Behavior Analysis (ABA), utilizing Melmark’s generous tuition reimbursement benefit. This is just one of the ways Melmark ensures a highly skilled workforce to create best outcomes for its students.
Melmark is a multi-state human service provider with premier private special education schools, professional development, training and research centers. We are committed to enhancing the lives of individuals with autism, intellectual and developmental disabilities and their families by providing exceptional evidence-based and applied behavior analytic services to every individual, every day.

Goals

- Melmark’s organizational culture exudes passion in the implementation of our Core Commitments.
- Melmark’s workforce is highly skilled, credentialed and actively engaged in ongoing educational and professional development activities with strong retention.
- Melmark uses innovation and technology to drive the quality of our service delivery systems and increase the dissemination and replication of the Melmark Model of Program Development and Clinical Treatment.
- Melmark’s high-performance practices ensure adherence to our standards of excellence in all services and daily operations.
- Melmark stakeholders recognize our mission and leadership in the field of high-quality service delivery, professional development training and research.
- Melmark’s funding streams provide appropriate and balanced financial resources to support and expand service delivery and program performance.
- Melmark enjoys significant stakeholder and philanthropic support that increases raised dollars annually and ensures constituent engagement with related outcomes.

Vision

Our vision is to expand and raise the quality of service delivery systems throughout the country by disseminating and replicating the Melmark Model of Program Development and Clinical Treatment.

Core Commitments

Compassionate Care | Integrity in Everything We Do | Highly Skilled Workforce
Evidence-based Practices | Best Outcomes
Measures of Success

97%
Satisfaction in Children’s Services (NE and PA)*

96%
Satisfaction in Adult Services (NE and PA)*

97%
Satisfaction in Student’s Progress on Individualized Education Programs (IEPs)

99%
Satisfaction in Adult Loved One’s Progress on Individual Support Plans (ISPs)

We continually monitor these Measures of Success to ensure that every individual we serve achieves the best outcomes every day.

- Stakeholder satisfaction
- Students progressing on Individualized Education Programs (IEPs)
- Adults progressing on Individual Support Plans (ISPs)
- Reduction in 1:1 services (where individuals have successfully decelerated behavioral challenges and accelerated educational growth)
- Reduction of restrictive programming
- Reduction in the use of psychopharmacology for behavioral control

When asked for one word to describe Melmark, survey participants responded with:

*Comments and data taken from 2019 anonymous satisfaction surveys completed by Melmark families at service divisions in Pennsylvania and New England.

Carolinatas
- Department of Public Instruction (DPI) Approved Non-Public School Exceptional Children Program in the Charlotte/Mecklenburg region (ages five to 22)

We strive to achieve best outcomes as indicated by positive changes in the quality of life for each and every individual we serve through:

- Functional Behavior Assessments (FBAs) to determine the motivation of challenging behavior and to inform evidence-supported treatment plans.
- Functional Skills Assessments (FSAs) to develop comprehensive, achievable Individualized Service Plans (ISPs), Individualized Education Programs (IEPs) and Individualized Transition Plans (ITPs).
- Comprehensive treatment plans designed to address behavior for deceleration, acceleration, maintenance and generalization.
- Ongoing monitoring of progress and treatment fidelity through consistent review of data within a collaborative framework.
- Ensuring best outcomes for individuals who are medically fragile and adults diagnosed with intellectual and developmental disabilities as they age in place.

Expert Speaker, Tim Vollmer, Ph.D., being streamed live from Melmark New England’s Clavin Center to the Pennsylvania and Carolinas divisions
Melmark’s senior staff, under the guidance of Vice President and Chief Clinical Officer Frank L. Bird, M.Ed., LABA, BCBA, conduct training sessions in applied behavior analysis and special education for regional, national and international audiences. Melmark’s highly skilled staff present research posters, papers and symposia at conferences as well as publish research studies in peer-reviewed journals and field publications. Your donations support Melmark’s impact on the global research field.

In addition to its robust research, Melmark is also expanding and raising the quality of service delivery systems throughout the country by disseminating and replicating the Melmark Model of Program Development and Clinical Treatment. Melmark’s proprietary software, EnvisionSMART™, along with a four-book series, provides an all-encompassing array of well-researched, documented tools to enable other providers to utilize the Melmark Model for Program Development, elevating the standard of services, while addressing every aspect of the critical educational, clinical and administrative functions that are vital to evidence-based, special education programs.

A sampling of publications in which Melmark staff authored or co-authored articles in 2019.
2019 *fore* Melmark New England

The 14th Annual *fore* Melmark New England golf tournament was held September 9, 2019 under sunny skies at the Andover Country Club. Once again, the event was a great success, netting more than $115,000 to benefit day and residential programs for children and adults.

Led by Melmark Board Members and MNE Parents, Jamie Stahle and Jim Alex, this year’s tournament committee included MNE Parents Harold ‘Skip’ Short and Kari Newman, John Reilly of Fred C. Church Insurance and Andrew Santos of Enterprise Bank.

Kendra Petrone, Executive Producer and co-host of Morning Magic, MAGIC 106.7, and parent of two boys with autism spectrum disorder, joined us again as emcee along with auctioneer, Paul Gilligan, a nationally known comedian who has supported MNE for years. Together, they entertained a captive audience and helped us raise funds through the live and Melmark Partner Fund-A-Need auctions. THANK YOU again to all of the MNE parents, family members, friends and staff who made donations, participated in the event or volunteered to help.

We look forward to celebrating *fore* Melmark’s 15th Anniversary with a special outing that will follow all social distancing guidelines and include in-person and virtual tournament offerings, online auctions and more. While our event, planned for October 19, 2020, may look different than in years past, our mission remains the same - to support the children and adults at Melmark New England.

To get involved with this year’s event, contact Ellen Kallman, MNE Director of Advancement, at ekallman@melmarkne.org or 978-654-4371.
Proceeds from the 14th Annual Hubert J.P. Schoemaker Classic topped $265,000 net. The event, held at Philadelphia Country Club and Gulph Mills Golf Club, benefits Melmark Pennsylvania. Funds from the 2019 event will go toward Melmark's new school facility on its Berwyn campus.

The Schoemaker Classic is truly a unique event. Its Advisory Board brings together top professionals from the greater Philadelphia region who volunteer their time to fundraise and coordinate the tournament, dinner, online, silent and live auctions.

Thank you to all of our donors, partners, family members, and staff who worked together to make the 2019 event a success. We look forward to celebrating the 15th Anniversary Hubert J.P. Schoemaker Classic on Monday, October 12. While our event may look different than in years past, our mission remains the same - to support the children and adults at Melmark Pennsylvania and to honor the memory of life sciences pioneer, Hubert Schoemaker.

To get involved with this year's event, contact Michelle McHugh, Senior Director of Communications, Advocacy and Advancement, at 610-325-2958 or michellemchugh@melmark.org.

Collectively, the *fore* MNE Golf Tournament and the Hubert J.P. Schoemaker Classic have raised over $7 million to support Melmark's programs.
At Melmark’s service divisions in New England, Pennsylvania and the Carolinas, COVID-19 has not changed our mission, but it has greatly altered the way we deliver that mission. Melmark’s highly skilled staff remain steadfast in their commitment to promoting best outcomes for the children and adults who attend Melmark’s multi-state day and residential programs. This special insert highlights some of their *superhero* work through the pandemic.

The team at Melmark Carolinas has welcomed students back to the classroom. Staff are implementing social distancing and other viral mitigation protocols determined by the Centers for Disease Control and Prevention (CDC) and state guidance.
Melmark New England

At Melmark’s service division in New England, learning, activities of daily living and fun continue despite the pandemic. This is all thanks to the mission-first work of our dedicated staff and to the support of our friends, families and partners. Staff at all Melmark service divisions have demonstrated compassionate care throughout the pandemic. At MNE, eight team members were highlighted in the news for going above and beyond to ensure the health and safety of the individuals with whom they work.

In late March, an asymptomatic staff member tested positive for COVID-19, after unknowingly exposing students and colleagues in the residence. In working through quarantine scenarios, leadership members quickly determined that sending all 13 staff who were exposed to their own homes to quarantine would cause a significant residential workforce depletion. To ensure the students had a full continuum of services, Melmark New England’s Executive Director, Helena Maguire, and Senior Director of Residential Services, Kim Duhanyan, devised a plan to ask the exposed staff if they would consider continuing their work in the home for the full eight days remaining since their initial contact exposure, in concert with local Boards of Health and approved by Melmark’s President and CEO, Rita Gardner.

Eight of the staff volunteered to quarantine with the students, offering to continue their mission-first care of the individuals inside the residence. Over the next eight days, staff kept check of one another’s health status, as well as that of the students in the house, by performing symptom screenings every two hours. Leadership and healthcare staff assisted via phone and video conferencing to limit any additional exposure.

Melmark’s parent community delivered hot meals and treats to the steps of the house and decorated the front door with messages of thanks. On the final day of the quarantine, parents coordinated a car parade and social distancing lawn celebration.
The Impact of COVID-19

Melmark Pennsylvania

At Melmark’s service division in Pennsylvania, our highly skilled staff continued to utilize evidence-based practices to provide compassionate care and best outcomes for those in our day and residential programs.

Titus Bull and Robert Lynch, Residential Aides, and Kevin Radford, Children’s Program Manager, during their shift change celebration following a twelve-day live-in quarantine to ensure the health and safety of the individuals we serve.

Nick with Melmark Pennsylvania Children’s Program Manager, Kevin Radford, in Sacca House.

Xavier celebrating his superhero birthday party with Kaitlin Petersen, RTF Program Manager, outside his Melmark Pennsylvania residence.

Sierra dancing with Michael Gelburt, Residential Aide, during a karaoke and dance party inside Melmark Pennsylvania’s Residential Treatment Facility (RTF).

The Aiello Family organizes a hot meal delivery for Melmark Pennsylvania Children’s Residential Staff. Here, Kevin Radford, Dixon Residential Program Manager, and Hawa Doe, ABA Counselor, pick up meals for staff in their programs.

With barber shops closed, Melmark Pennsylvania Lead Residential Aide, Franklyn Kargbo, helped Mark maintain his preferred short hair.

Longtime Melmark Service League (MSL) Volunteer, Louise Elkins, making masks for the individuals and staff. The MSL has been supporting Melmark since the organization’s founding in 1966 and will be honored at the 2020 Dream Maker’s Ball.
By the Numbers

Melmark has sustained over $1 million in losses due to unplanned expenses related to COVID-19 testing and mitigation, hero (or hazard) pay, and income losses caused by state-mandated day program closures. While the CARES Act funds passed through the Commonwealth of Pennsylvania are providing some relief to this gap, the significant financial impact is being felt across all of Melmark’s service divisions.

Below is a snapshot of expenses related to virus mitigation from March 2020 to June 15, 2020

- Isolation Unit: $69,240
- Remote Service Delivery Technology: $53,979
- Hero Pay and Staffing Bonuses: $252,235
- Mitigation Retro Fit of Facilities: $129,466
- Incremental Isolation Staffing and Overtime: $165,870
- Incremental Sick Leave and Short Term Disability: $260,718
- Personal Protective Equipment: $481,186
- Additional Cleaning and Sanitizing: $349,691
- COVID-19 Testing Kits: $102,991
- Other: $139,324
- Total Expense: $2,004,700

Your support, at every level, also helps Melmark bridge the significant gap created by COVID-19 related expenses and program reimbursement losses. To make a secure, online donation, visit www.melmark.org and click “donate” under the division you wish to support.
Donor Profiles

We are deeply grateful to all who have given so generously to help us provide the best educational, programmatic, vocational and clinical services to the children and adults we are privileged to serve.

**Melmark Pennsylvania**

A commitment of $200,000 from Worcester, Pennsylvania-based Allan Myers, Inc. will support Melmark Pennsylvania’s new state-of-the-art school facility. Ross Myers is the CEO of Allan Myers, Inc., which performs heavy civil construction and supplies construction materials. Myers had these words about Melmark after his first visit to the organization’s Bervyn community. “The work that Melmark does changes people’s lives, and that’s really hard work.”

During Myers’ visit, he got a first-hand look at Melmark’s mission-first work, its positive impact on children, adults and their families, and the organization’s leadership and oversight. “We are thrilled to support the mission of such a well-run and impactful organization,” said Myers.

Allan Myers, Inc. was introduced to Melmark through one of its employees and a current Melmark family member. The company has been a sponsor of the Schoemaker Classic for the past two years and has donated proceeds from the annual 3 Dog Garage Car Show, also benefiting Melmark. We are grateful for the support from and partnership with Allan Myers, Inc.

**Melmark New England**

Howard and Mara Mayer have been active family members and generous donors to Melmark New England since 2015 when their son, Jordan, became a residential student. In 2017, their daughter, Aubrey, joined MNE as a day student. Today, both are residential students working hard to achieve academic and clinical goals in the school program and to master their activities of daily living. Jordan and Aubrey always have a smile for their teachers and staff and they love being out in the community with their housemates and family.

Originally from the New York metropolitan area, Howard, a physician by training, is currently Executive Vice President, Research and Development for Ipsen in Cambridge, MA. Mara was happily working at Clairol when she first became a mother to Jordan. With an array of female role models at work, she fully expected to follow in their footsteps as a working mom. When Jordan and Aubrey were young, the couple moved many times, always looking to find the best educational programs and therapies that would help ensure Jordan and Aubrey reached their fullest possible potential. In 2010, the family relocated to the Greater Boston area. After a period of time in public school and other special needs programs, Howard and Mara found Melmark New England. Their quick devotion to Melmark’s mission was evident from the very beginning. We truly appreciate their philanthropic support, their advocacy, and their love of Jordan, Aubrey and the MNE family.

**Why we give and what it means to us, as told by Mara Mayer:**

“Melmark is our life because you take care of our children. You are all second parents to them. We know how much the donations mean to Melmark and how they help. It makes us proud to provide support for the teachers, therapists and administration who work every day to provide the best services possible to our children.”

“We recognize that our children won’t go to college, get married or spend their money the way that typical young adults will. We consider our donation to be investments in helping them reach their fullest future potential. We can’t think of any better use of our money than to donate to Melmark New England.”

The Paul and Mildred Krentel Legacy Society, founded in 2010, is comprised of individuals who have named Melmark as a beneficiary of their estate plans. Gifts can include a bequest and beneficiary designation in a retirement plan and/or charitable income gifts, such as charitable gift annuities, charitable remainder unitrusts, charitable remainder annuity trusts, or gifts of life insurance.

Like the Krentels, individuals who provide future support establish their own legacy that will live on and ensure Melmark’s excellence for years to come.

Anyone interested in becoming part of the Society, or who wishes to learn more about planned gifts, can contact Ellen Mansfield, Director of Annual Giving and Grants, Melmark Pennsylvania, at 610-325-4953 or ellenmansfield@melmark.org, or Ellen Kallman, Director of Advancement, Melmark New England, at 978-654-4371, or ekallman@melmarkne.org.

“Thank you for helping my son achieve his full potential. The support he receives from all Melmark staff gives him the opportunity to live his life to the fullest.

He is cared for, supported and treated as a valuable member of the community. Your services are priceless and so very much appreciated.”

Melmark New England students performing “The Lion King”
Melmark Carolinas

Melmark Carolinas (MCS), based in Charlotte and serving students from North and South Carolina, is the newest member of the Melmark family. In November of 2018, Melmark Carolinas was recognized by the Department of Public Instruction (DPI) as an Approved Non-Public School Exceptional Children Program, allowing Melmark Carolinas to conduct school-based services in the state. Melmark Carolinas is only the second school in North Carolina to obtain this certification, and it is the first and only school focused on serving students with autism and intellectual / developmental disabilities with behavioral challenges. The school relies on public funding for tuition reimbursement and charitable support to enhance its mission to serve children with complex behavioral needs.

MCS accepted its first student in February 2019. Today, we serve seven students in our classrooms located within the Pineville Church of the Nazarene complex. Several of the students we now serve were formerly on modified day/homebound education, which can mean less than two hours of educational instruction a day. For a variety of reasons, these students and their families were unable to access other supports, including insurance-based services or Medicaid. For these families and others, the opening of Melmark Carolinas has provided a vitally needed option, as students are entitled to and deserve a Free Appropriate Public Education (FAPE). Within months of starting classes led by Melmark’s highly skilled staff, all students showed progress on their IEP goals. Skills growth and decreases in challenging behaviors continue for all Melmark Carolinas students.
Your philanthropic dollars have a direct and immediate impact on the children and adults at Melmark. From providing classroom and program area support and equipment, to attracting and retaining highly qualified staff, to updating residential homes and completing capital projects, Melmark donors help move our mission forward for the individuals and families we are privileged to serve.

**Melmark New England:**
- Planning for an Innovative Adult Services Model is in its earliest stages, as MNE explores an adult services system mirroring the long-term care model of continuing care communities. The program would include an enhanced community-based adult day and social engagement setting coupled with congregate housing.
- Melmark has introduced Cultural Ambassador roles to collaborate with leadership across service divisions on policy development, communications and professional opportunities. These stipend employee roles will help ensure equality and inclusion continue to remain at the forefront of Melmark’s work.

**Melmark Carolinas:**
- With seven students currently enrolled and all students progressing on IEP goals, we look forward to expanding our census in 2020 as referrals have increased over time.
- Our advocacy and community education efforts with local families, state lawmakers and other stakeholders has increased public awareness of MCS and our expertise dealing with autism and challenging behaviors. As a result, Rita M. Gardner, President and CEO, has been invited to draft legislation based on Melmark’s experience in other states to better support individuals with high-acuity autism in need of evidence-based services.

**Melmark Pennsylvania:**
- Family and community support for the New School Facility continues with $14.3 million raised. The school building project has begun, with construction scheduled to be complete by July 2021.
- Teachers will receive training in Melmark’s new EnvisionSMART™ educational software program.
- In the adult program, philanthropic gifts support the performing arts and transportation for community outings.

“I am always inspired by the work of the Melmark team, from leadership to our direct support professionals and facilities staff. However, I am even more so during this public health crisis created by COVID-19. The ability of our Leadership to pivot to ensure the most effective health and safety measures are in place in order to continue our mission has been impressive. Our staff continue to put mission first for every individual, every day, and I could not be more proud to be working alongside them.”

Ways to Give

There are a number of convenient gift opportunities available to support Melmark’s mission. Gifts received may be unrestricted or designated for restricted purposes. Donations can be made by cash or check, or made securely online through Melmark’s website.

Annual Giving
Annual support allows Melmark to maintain a center of excellence and provide specialized services and programs to individuals with special needs. We rely on the generosity and spirit of our friends and families to enhance our ability to attract and retain a team of gifted staff, provide innovative programs and sustain our facilities.

Gifts of Stock
One of the most advantageous ways to contribute to Melmark is through a gift of stock. Making a gift of securities is simple and offers a number of valuable financial benefits:
- Appreciated stocks, bonds or mutual funds can be donated.
- Total value of the stock upon transfer is tax deductible.
- No obligation to pay any capital gains taxes on the appreciation.

Matching Gifts
One way to double the impact of your gift to Melmark is to participate in your company’s matching gift program, which may match a percentage or your entire gift. Each company will have different requirements and procedures; your human resources department should be able to answer your questions.

Tributes and Memorial Gifts
Honoring or remembering a loved one through a charitable gift is an especially meaningful way of paying tribute. Gifts may commemorate a special event, such as a birthday, anniversary, wedding or retirement, or may be made in lieu of flowers at one’s passing.

Planned Giving/Krentel Legacy Society
The generosity of planned giving donors strengthens opportunities for the children and adults we serve, along with their families. The Advancement Office is here to help you determine the best vehicles to meet your financial needs and make a lasting impact at Melmark. All future gifts can be designated to Melmark PA or Melmark NE. The Paul and Mildred Krentel Legacy Society, founded in 2010, includes individuals who have named Melmark as a beneficiary of their estate plan. Such gifts can include a bequest or beneficiary designation in a retirement plan and/or charitable income gifts, such as:
- Charitable Gift Annuities
- Charitable Remainder Unitrusts
- Gifts of Life Insurance

In-Kind Gifts
A Gift-In-Kind is a contribution of goods or services that can be used to advance Melmark’s mission, or can be readily converted to cash and may qualify as a charitable deduction.

Pennsylvania United Way
A number of Melmark’s donors prefer to make their contributions through the United Way payroll deduction program. Melmark is a participating donor choice agency in the United Way of Southeastern Pennsylvania; the code number is 1012.

Pennsylvania Educational Improvement Tax Credit (EITC)
The Pennsylvania Educational Improvement Tax Credit (PA EITC) program allows businesses in the Commonwealth to earn a tax credit of up to 90% for certain Pennsylvania taxes when they make a donation to a “scholarship organization” or an “educational improvement organization,” a special category under the state tax code. Melmark has been approved as an Educational Improvement Organization (EIO). Funds received under these programs provide funding for technology to enhance our students’ experiences.

Corporate, Foundation and Organization Giving
Melmark has been very fortunate to have the support of local corporations, foundations and organizations. These benefactors have extended their valued time and financial resources in support of our mission. Many prominent organizations regularly include Melmark in their contributions budget.

New England Legacy Brick Walkway
Located just outside the front doors of Melmark NE, our legacy walkway features engraved bricks with custom messages. This is a wonderful way to pay tribute or honor special people in your life or to recognize special memories and milestones. Each brick can be customized with a personal message, tribute, important dates, names of family members, thank yous or corporate logos.

Special Events
Special events provide Melmark with a number of opportunities to promote Melmark’s mission to the community-at-large, to encourage a social rapport among our families and friends, and to raise significant financial support for our highly specialized programs and services.
