

Melmark

New England

Mission First. Every Individual, Every Day.®

Opening in Stoughton Massachusetts, May 2023

With a proven history serving children, adolescents and adults with cognitive and behavioral challenges, our first day school in New England has been open in Andover, MA for 25 years serving students from all over the region with high-quality evidence-based services. We are proud to offer a second approved private special education day school to serve students from Boston's South Shore and surrounding areas.

Student profiles for referral typically include one or more of the following diagnoses:

- Autism and Autism Spectrum Disorders (ASD)
- Acquired brain injury
- Challenging behaviors
- Intellectual or developmental disabilities
- Neurologically-based disorders that result in significant neurobehavioral challenges

Melmark New England's Stoughton Day School Will Offer:

- Enriched teacher to student ratios (1:2, student-to-teacher)
- Comprehensive, integrated Individualized Education Program (IEP) development and services
- Principles of Applied Behavior Analysis (ABA) framework
- Comprehensive Functional Behavioral Assessments (FBAs)
- Specially designed instructional programs and classroom environments
- Intensive progress monitoring
- Family training
- Speech and language, occupational, and physical therapy services
- Board Certified Behavior Analysts on staff
- An experienced leadership team possessing decades of clinical and educational expertise

Early inquiries, questions and referrals can be directed to Elizabeth McRae, Administrator of Program Services.
