

Support HB 478 to keep students with disabilities in school!

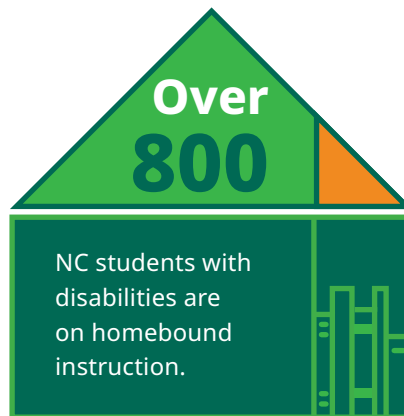

DID YOU KNOW...

The most vulnerable children in our state have been on homebound instruction for decades.

THE FACTS

In 1993, NC put a cap on how much it was willing to spend on students with disabilities, and that cap hasn't changed much in

receive a shortened day of school, according to Disability Rights NC and NC Dept. of Public Instruction (DPI).

HB 478, The "Support Students with Disabilities Act"

ensures that grant funds are available to public schools to support high-need, low incidence children who have educational needs beyond the school district's capacity.
